

## **Doğanlar Furniture Group Raised in Ranks in the ISO 500 List!**

**Doğanlar Furniture Group moved up 5 ranks to 323<sup>rd</sup> place in the 2021 results of the “Turkey's Top 500 Industrial Enterprises” research conducted by the Istanbul Chamber of Industry.**

Doğanlar Furniture Group, one of the most important groups in the Turkish furniture industry, with the brands Doğtaş, Kelebek, Lova Beds, Kelebek Kitchen & Bathroom and Ruum Store, is the only company to rise in ranks in the 2021 “Turkey’s Top 500 Industrial Enterprises” research conducted by the Istanbul Chamber of Industry, in terms of net sales in the furniture sector.

**Doğanlar Furniture Group CEO İsmail Doğan: We are pleased to be ranked 323rd in the “Turkey's Top 500 Industrial Enterprises” research.”**

Doğanlar Furniture Group CEO İsmail Doğan stated that all industrial enterprises consider the “Turkey's Top 500 Industrial Enterprises” research conducted by the Istanbul Chamber of Industry as a report card, and that Doğanlar Furniture was the only company in the furniture sector to increase their net sales. Pointing out that they will continue to work hard to rise even higher in the coming years, Doğan said: “We aim to be among the top 100 companies.”

Doğanlar Furniture Group, which has attracted attention with its recent overseas expansion, currently meets with its consumers at 534 sales points.
